1. Introduction and Purpose

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 U.S.C. 1092(f)), commonly known as the Clery Act, Millennium Beauty Institute publishes this Annual Security Report (ASR). This report is distributed to all current students and employees, and is made available to prospective students and employees upon request.

The Clery Act requires all postsecondary institutions participating in Title IV federal student aid programs to disclose campus security policies and procedures and to report crime statistics for the institution. This report is published annually by October 1st and covers the three most recent calendar years.

Millennium Beauty Institute is a NACCAS-accredited cosmetology school participating in Title IV federal financial aid programs (FAFSA School Code: 043097). The institution operates at a single campus location in Norcross, Georgia.

2. Campus Geography

Millennium Beauty Institute operates at a single campus location:

1300 Indian Trail Road, Suite 104, Norcross, GA 30093

The campus consists of classroom space, a student salon open to the public, administrative offices, and common areas, all within a single suite in a commercial building. There is no on-campus student

housing. The institution does not have any separate campus locations, branch campuses, or non-campus buildings or properties.

3. Campus Security Policies and Procedures

3.1 Security and Access

The campus entrance is monitored during all operating hours. A Ring security camera system is installed at the front desk, providing 24-hour video surveillance and monitoring of the campus entrance. Access to the campus during non-operating hours is restricted to authorized personnel only.

Millennium Beauty Institute does not employ campus security personnel or a campus police department. The institution relies on local law enforcement (Gwinnett County Police Department and Norcross Police Department) for emergency response and criminal investigations.

3.2 Reporting Criminal Activity and Emergencies

Students, employees, and visitors are encouraged to promptly and accurately report all crimes, emergencies, and safety concerns to the school administration. Reports can be made to:

- School Director: Jessie Julien, (678) 888-4170
- Front desk staff during operating hours
- In case of emergency, dial 911 immediately

All reported incidents are reviewed by the School Director, who determines the appropriate response, including whether to contact local law enforcement. Reports are documented and maintained in confidential records.

3.3 Confidential Reporting

If a victim or witness of a crime does not wish to pursue action through the criminal justice system or through the institution, they may still make a confidential report to the School Director. The purpose of a confidential report is to comply with the reporting requirements of the Clery Act while maintaining the confidentiality of the reporting individual. Confidential reports are included in the annual crime statistics disclosed in this report.

3.4 Timely Warnings

In the event that a situation arises on campus that, in the judgment of the School Director, constitutes an ongoing or continuing threat to the campus community, a timely warning will be issued. Timely warnings may be distributed via email, text message, posted notices, or verbal announcements, depending on the nature and urgency of the threat.

3.5 Emergency Response and Evacuation

Millennium Beauty Institute maintains emergency procedures for responding to threats including fire, severe weather, active threats, and other emergencies. Emergency procedures are reviewed with students during orientation and posted in common areas. The institution will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation. The School Director or designee is responsible for initiating emergency notifications.
